Thank you in advance for being part of our Gallant Heart family and helping with our fundraiser so we may give independence to another person who is blind. The 2018 calendars are beautiful. If any of your friends or family would like to support the Gallant Hearts Guide Dog Center or just enjoy looking at nice Dobermans all year, you may order more calendars for only \$15 each. Just fill out the order form below and mail it in with your check or money order.
